SECTION D – To be completed by the Honours Coordinator or nominated representative**School/Department Authorisation**

Subject to the student meeting all course requirements and subject to availability of a supervisor and other relevant resources I recommend that the applicant be accepted as a full time/part time candidate (please circle)

Please list the enrolled or completed relevant level three units that could count towards the 70% average. If the listed units are not part of the published major sequence requirements, please provide the Faculty with a supporting statement/documentation explaining the inclusion of these units in the calculation of the average.

Average mark achieved by applicant in relevant level- three units: %
(leave blank if the application is still pending results)

The applicant has achieved the required average of 70% of at least 24 points (or equivalent) of relevant level-three units

The applicant **has not** achieved the required 70% in at least 24 points (or equivalent) of relevant level-three units but I recommend that they be accepted as a candidate on the grounds that they have achieved 65-69% in their main level-three sequence and an average of at least 65% in their remaining level-three units.

Note: This option does not apply to students in 3527 BBiotech (Hons), 3520 BScAdv (Hons), or 2188 BSc (Sci SchI Prog) (Hons).

Average mark achieved by applicant in remaining level-three units: %
